Dear Sir/Madam,

Re: Rating Letter for Akara Capital Advisors Private Limited

India Ratings and Research (Ind-Ra) has affirmed Akara Capital Advisors Private Limited's (ACAPL) debt instruments' ratings as follows:

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (million)	Rating assigned along with Outlook/Watch	Rating Action
Bank loan facilities	-	-	-	INR500	IND BBB/Stable	Affirmed
Non-convertible debentures*	-	-	-	INR2,000	IND BBB/Stable	Affirmed

* Yet to be issued

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security.

The manner of India Ratings factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in India where the rated security is offered and sold, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

India Ratings Affirms Akara Capital Advisors’s NCDs and Bank Loans at ‘IND BBB’/Stable

Mar 12, 2026 | Akara Capital Advisors Private Limited | Financial Technology (Fintech)

India Ratings and Research (Ind-Ra) has affirmed Akara Capital Advisors Private Limited’s (ACAPL) debt instruments’ ratings as follows:

Details of Instruments

Non-convertible debentures*	-	-	-	INR2,000	IND BBB/Stable	Affirmed

Analytical Approach

Ind-Ra continues to fully consolidate the financial and credit profiles of ACAPL, its 100% parent, Morus Technologies Pte. Ltd. (MTPL), and its parent’s other key wholly owned subsidiaries, Titanium Fortune Financial Services Private Limited (TFFSPL) and EQX Analytics’ (EQX; technology platform - Stashfin). This is due to the strong operational linkages among them in the form of common promoters, shared management and fungibility of funds. The contribution of ACAPL and EQX contribution to the consolidated financials remains significant.

Detailed Rationale of the Rating Action

The affirmation factors in Akara’s franchise scalability, supported by its fully digital, branchless lending model. The ratings consider the company’s healthy AUM growth during the 12 months ended 31 December 2025, and the revival in disbursements following the tightening of credit guardrails. The ratings also factor in adequate capitalisation at the group level, backed by periodic equity infusions from MTPL.

However, the ratings are constrained by ACAPL’s evolving profitability, which is affected by high operating costs. These costs include employee stock options (ESOP), which are non-cash in nature and neutral on net worth and funding concentration. Ind-Ra will monitor the company’s ability to manage credit costs and operating expenses which could be a key rating driver for sustainable improvement in profitability. Given the decline in disbursement through co-lending partnerships, the company’s ability to have adequate funding tie-ups at reasonable pricing with diversified types of lenders remains a monitorable.

List of Key Rating Drivers

Strengths

- Adequate franchise expansion and scaling up
- Adequately capitalised at group-level for current scale of operations
- Defined product in form of credit line; yields partially price in risk

Weaknesses

- Profitability under pressure due to elevated share-based payments; consolidated performance weak in 9MFY26
- Modest borrower profile reflected in asset quality pressure
- High funding concentration, diversification required among banks and non-banks
- Regulatory risk

Detailed Description of Key Rating Drivers

Adequate Franchise Expansion and Scaling Up: EQX has adopted a branchless business model, driven by its in-house technology platform, Stashfin, which is a fully automated digital lending model deployed through an application to assist borrowers with the loan process. It has an end-to-end integration in the form of sourcing, disbursement, collections, along with underwriting the loan applicants through data analytics and algorithms to assess the creditworthiness of borrowers. The algorithm is largely based on credit bureau data, banking information along with multiple permutation and combination-based filtering on different cohorts such as postal code, age, salary scale and phone data of the borrower. As a digital lending platform, Stashfin originates on a pan-India basis; the management continues to focus on long-tenored loans, largely ranging between 12 to 36 months. Moreover, the company has seen an increase in the share of fee-based loans (paying within 30 days) in its Liberate product, wherein the interest is charged post 30 days of utilisation in the overall disbursement, which was around 35% of the monthly disbursement at end-3QFY26.

The AUM grew by 57% yoy increasing to INR 26,377 million in 9MFY26 from INR16,778 million in 9MFY25 (FY25: INR 17,312 million; FY24: INR18,394 million; FY23: INR14,654 million). The quarterly disbursements stood at INR15042 million in 3QFY26, up from INR8850 million in 4QFY25. In August 2024, the company implemented stricter credit policy checks for repeat customers, including bank statement reviews, to ensure customers are not over-leveraged. This resulted in some churn in repeat demand. After tightening credit guardrails in FY25, disbursements in the first nine months of FY26 have started to pick up, with the company disbursing INR 35,916.1 million in 9MFY26 compared to INR 24,230 million in 9MFY25 (FY25: INR33,075.8 million). Ind-Ra believes the scaling-up of the platform with the increase in on-balance and off-balance sheet exposure while onboarding new co-lenders over the near-to-medium term will drive EQX's profitability and remains a key monitorable.

Adequately Capitalised at Group-level for Current Scale of Operations: Since inception, MTPL has raised around INR8261 million of equity from a diverse set of sources such as private equity players, promoters and high net-worth individuals. MTPL's promoters have experience of over 20 years in investment banking and private equity. MTPL has supported ACAPL and EQX by infusing regular capital to support growth plans. At end-9MFY26, the consolidated tangible net worth (tangible net worth=net worth adjusted for intangible assets and deferred tax assets, as per Ind-Ra methodology) was INR7,808 million, with a consolidated leverage (debt/tangible equity) of 2.5x (FY25: 1.3x, FY24: 1.2x FY23: 1.4x). On a standalone basis, ACAPL's tangible net worth was INR7,311 million and its leverage (debt/tangible equity) was 2.5x at end-9MFY26 (FY25: 1.5x, FY24:1.5x FY23: 2.4x). ACAPL received a fresh equity infusion of INR294.7 million from MTPL over November and December 2025. ACAPL's capital buffers remain adequate for its current scale of operations, with a tier 1 capital ratio of 19.9% in 9MFY26 (FY25: 31.2%, FY24: 31.4%; FY23: 33.9%). Ind-Ra expects regular infusions from MTPL (standalone net worth of INR10,188.5 million at end-December 2025) in the form of equity to help ACAPL maintain adequate capital buffers. The company plans to maintain its leverage below 3.5x and the consolidated leverage below 3.0x. In addition, Ind-Ra expects ACAPL to receive capital support from MTPL for growth, and that MTPL will maintain adequate capital buffer in the form of unencumbered cash and liquid investments to meet the contingent needs of the lending entity.

Defined Product in Form of Credit Line; Yields Partially Price in Risk: Stashfin primarily extends digital personal credit lines with an average loan tenor of 12-36 months, accessed through its flagship Liberate product. Loans are disbursed through revolving credit lines, offering customers flexibility while enabling the company to maintain granular, short-to-medium-tenor exposures. The monthly yield on these loans ranges from 1.5% to 3.25%, although the company has reduced lending rates since November 2024 in response to competitive dynamics and regulatory considerations. Following the discontinuation of the Elevate product, —its higher-yield loan offering, the portfolio mix has shifted decisively toward the lower-yield but more stable Liberate segment. As a result, Liberate constituted 99.5% of the portfolio at end-December 2025, up from 97% a year earlier. This transition reflects management's strategic focus on scaling a standardised, mass-market product with a lower risk and improved customer retention characteristics.

Under the Liberate product, Stashfin sanctions credit lines with a maximum tenor of 36 months, which customers may draw upon up to five times, at any point, within the sanctioned limit. Each individual drawdown is treated as a fresh term loan, with its own loan identification number, tenor, and pricing parameters. While the customer retains a single unique customer ID, each loan cycle is booked separately, enabling granular tracking of repayment behavior and risk performance. The model incorporates a 30-day interest-free 'free credit period', enhancing customer value while supporting repeat usage. Furthermore, no foreclosure charges are applied across any products or tenor.

EQX generates income through a lead generation fee for incremental new leads generated to build AUM for Liberate booked under ACAPL, excluding repeat customers. EQX is a loan service provider, and hence, its income is in the form of lead generation fee income and the excess interest spread on co-lending. Over the next 12 months, the management expects EQX to begin recognising excess interest spread (EIS) income through the hurdle rate mechanism, which would diversify revenue streams beyond lending spreads. In parallel, the company is developing a suite of non-lending, value-added services within EQX—including bond distribution, bill-payment solutions, and UPI-based payment offerings. While currently at an early stage, these initiatives are intended to enhance customer stickiness, increase engagement on the Stashfin app, and ultimately improve unit economics and monetisation.

Profitability Under Pressure Due to Elevated Share-Based Payments; Consolidated Performance Weak in 9MFY26:

At the consolidated level, the company earned profits before exceptional items of INR274 million in 9MFY26. However, the profitability was substantially undermined by high share-based payment (SBP) expenses amounting to INR292 million during the same period. After incorporating this non-cash charge, the company recorded a loss before tax of INR18.2 million. The loss further widened due to a significant tax expense of INR196 million, resulting in a net loss of INR214.27 million in 9MFY26 (FY25: profits of INR111 million, FY24: INR249 million; FY23: INR258 million), implying a return on AUM of negative 1.3% in 9MFY26 (FY25: 0.6%). Profits adjusted for the notional items like forex loss and SBP expenses stood at INR286 million for 9MFY26 (FY25: INR852 million). At the consolidated level, the operating cost to average assets increased to 8.1% (FY25: 4.9%) due to the high share-based payment to employees.

At the standalone level, ACAPL's net profit declined to INR384 million in 9MFY26 (9MFY25: INR752 million, FY25: INR848 million). Furthermore, EQX remained loss making, with a net loss of INR418 million in 9MFY26 (FY25: loss of INR521 million, 9MFY25: loss of INR444 million FY24: loss of INR394 million). The sustained losses are mainly a result of the share-based payment (SBP) expenses of INR196.7 million in 9MFY26 (FY25: INR375 million), which continue to materially depress its financial performance. Additionally, the total income declined to INR306 million in 9MFY26 (9MFY25: INR321 million), reflecting the closure of co-lending income streams, which previously formed a significant share of EQX revenues.

Modest Borrower Profile Reflected in Asset Quality Pressure: Stashfin operates in an unsecured segment wherein the borrower profile is modest, with the borrowers being aged between 25 years to 40 years, and earning an average of INR40,000-70,000 per month. Furthermore, about 62% of the borrowers are salaried and 65% of the borrowers have a bureau score above 750. Even though the end-use of the loan amount remains difficult to assess, some of the uses could be for various purposes such as travel, medical, educational exigencies, home repairs and weddings. The gross non-performing assets (GNPAs) increased to 4.7% in 9MFY26 (FY25: 4.3%; 9MFY25: 4.0%; FY24: 4.0%). ACAPL's write-off plus GNPAs reduced to 8.8% of trailing 12-month disbursement in 9MFY26 (9MFY25: 11.5%), however, it remains elevated and a key rating monitorable. ACAPL and EQX have written off 7.0% of the loans since the inception; however, on a twelve-month lagged basis, the write offs stood at 7.6% at end-December 2025. The trajectory of ACAPL's asset quality will be a key monitorable.

High Funding Concentration, Diversification Required among Banks and Non-banks: At end-December 2025, the top five lenders contributed 68.7% to the funding, which also includes 30% contribution from Morus- Fasanara Capital (in the form of ECB), indicating high lender concentration. The company has also borrowed funds from bonds (33.5%), non-banking finance companies (NBFCs; 23%), banks (5%) and AIFs (7.5%). While ACAPL has borrowed from banks, their share remains low in the overall proportion and compared to those of peers. That said, ACAPL's total number of lenders improved to 28 in 9MFY26 (9MFY25: 24). Furthermore, the average cost of borrowing for ACPAL has moved up due to forex losses incurred by the company. However, forex loss is notional in nature. In 9MFY26, the company incurred a forex loss of INR208.3 million that elevated its overall borrowings cost. The company has hedged its ECBs. ACAPL's ability to diversify funding across banks and NBFCs and a material reduction in the concentration across lenders are key monitorable. Fasanara Capital Ltd (a shareholder in MTPL) has provided ECBs support to ACAPL through MTPL wherein it has sanctioned committed three-year tenor debt lines of USD75 million, of which USD19 million was unutilised at end-

December 2025. During 9MFY26, Akara raised INR488.8 million in the form of ECBs from parent at interest rate range of 8.85 to 10% range. Ind-Ra believes MTPL's support to ACAPL in the form of liquidity and the capital support to grow its balance sheet will further gain importance post the full utilisation of ECBs.

Regulatory Risk: Digital lending in India continues to undergo significant regulatory tightening, especially following the Reserve Bank of India's Digital Lending Directions, 2025, which merge earlier frameworks and strengthen governance, transparency, and customer protection across lenders and fintech partners. The Reserve Bank of India has also tightened rules on default loss guarantee (DLG) by directing NBFCs to exclude fintech-provided DLGs when provisioning for stressed loans, reducing the appeal of fintech-originated portfolios and prompting lenders to reinforce underwriting capabilities. These changes, along with stricter due diligence norms and expanded oversight of digital lending apps and multi-lender LSP arrangements, aim to curb mis-selling, improve data privacy safeguards, and enhance borrower confidence. As the sector gradually expands beyond unsecured personal loans into adjacent and asset-backed segments, compliance requirements and operating costs are expected to rise under new verification and governance mandates; however, clearer regulations and standardised practices could support improved unit economics for digital lenders over the medium term.

Liquidity

Adequate: At end-December 2025, ACAPL's contractual structural liquidity statement had a cumulative surplus as a percentage of total assets of 28% in the less-than-one-year bucket, excluding committed undrawn lines, because of the funding duration of over two years and assets-side duration of about one-and-a-half-years. Regarding the liquidity buffer, there is a board-approved policy, and the management maintains an on-balance sheet liquidity to manage one and a half months of debt repayments. ACAPL had unencumbered cash and liquid investments of about INR3100 million at end-February 2026. It was sufficient to meet two months of debt obligations of INR2,210 million for the month of March and April 2026. ACAPL also had unutilised line of USD19 million from Fasanara Capital. Furthermore, MTPL's equity has INR10,188 million of equity at end-9MFY26, which can flow down to ACAPL, as and when required. This level of equity support would be required for growth as well as providing support for repayments in changing the operating environment. Ind-Ra expects ACAPL to keep at least three months of unencumbered liquidity at any point of time for covering debt repayments and operating expenses.

Rating Sensitivities

Positive: The following developments collectively could result in a positive rating action:

- franchise expansion leading to a significant improvement in the profitability buffers
- widening and deepening of liability relationships with existing and new type of lenders
- adequate control on credit cost, along with the seasoning of the portfolio

Negative: Following factors that can individually or collectively lead to a negative rating action:

- sharp deterioration in the scale of operations, inability to tie-up funding for growth which could lead to a significant weakening of the profitability and/or capital buffers
- challenges in raising funds and dilution of liquidity buffers.
- leverage (debt/tangible net worth) exceeding 3.0x on a sustained basis
- sustained deterioration in the asset quality
- any regulatory changes or guidelines impacting the overall business model

Independent Auditor's Report on the Audited Financial Results pursuant to Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations 2015, as amended.

To The Board of Directors

Akara Capital Advisors Private Limited

Opinion

We have audited the accompanying Statement of standalone financial results of Akara Capital Advisors Private Limited ("The Company") for the quarter and year ended 31st March 2026, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listed Regulation').

In our opinion and to the best of our information and according to the explanations given to us, the financial results:

- a. are presented in accordance with the requirements of Regulation 33 and 52 of the Listing Regulations; and give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2026.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Financial Results

The Company's Board of Directors are responsible for the preparation and presentation of these financial results for the quarter and year ended March 31, 2026 that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results for the quarter and year ended March 31, 2026 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Other Matters

- The Statement includes the results for the Quarter ended 31 March 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us.
- The previous period's / year's figures have been regrouped / reclassified/ restated, wherever necessary, to correspond with the current period's / year's classification / disclosure Our report on the Statement is not modified in respect of this matter.
