Promoter Group Legacy

- The Kothari family's 25-year legacy in the gold industry has cemented their position as industry pioneers, highlighted by the success of their flagship company, Augmont.
- Under the visionary leadership of Ketan Kothari, they achieved several groundbreaking milestones, including filing the world's first Gold ETF with SEBI and founding Augmont Gold For All—India's largest physical gold platform.
- Their innovations didn't stop there; they launched India's leading digital gold platform and introduced the world's largest investible gold jewelry product.
- With a tech-driven approach, they also created a comprehensive gold loan platform, building an ecosystem that supports over 37 million customers, spanning the entire gold lifecycle from refinery to retail.
- Building on over 100 man-years of experience, the Kothari family has expanded into financial services through Arvog, where they combine their deep industry expertise with cutting-edge fintech innovations.
- Arvog bridges the gap between traditional finance and modern technology, extending the family's legacy of trust and innovation into the realm of digital lending.

Finkurve's Journey So Far

Value Propositions

Promoter Group Backing and Market Penetration:

- Backed by the Augmont Group, a trusted leader in the precious metals industry with over 4+ crore customers and of 5,000+ agents and jewelers
- Arvog leverages this extensive network to enhance its reach and credibility in the gold loan segment

Rapid loan disbursal:

- Stands apart from traditional gold loan providers with its fast and efficient loan disbursements, powered by automated systems centrally managed from their head office
- This allows Arvog to offer an impressive turnaround time (TAT) of just 25 minutes for gold loan disbursements

Gold Verification and Safekeeping Expertise:

- Leveraging deep industry expertise, Arvog ensures precise gold assessment and secure handling
- Gold is stored in SEBI-monitored IDBI vaults, using advanced assaying tools refined through years of hands-on experience.

Proactive Risk Management:

- Excels at early risk identification, from logistics to secure gold handling and auditing.
- A stringent maker/checker process ensures multiple layers of verification for gold assets, reinforcing security and minimizing the risk of fraud.

Technology Leadership and AI Integration:

- Leverages a scalable tech stack to automate key processes like loan origination and servicing, enhancing efficiency and customer experience
- Its active use of AI for faster, more precise gold testing further sets it apart in a traditionally slow-to-innovate industry

Proactive Regulatory Compliance:

- In-house compliance team closely monitors RBI regulations
- Minimizing risk and ensuring high compliance, positioning Arvog as a highly compliant and risk-averse NBFC in an industry where many face penalties for non-compliance.

Arvog's Strategy to Shift from Corporate Loans to Retail Loans

- Arvog has executed a deliberate shift in its lending strategy, transitioning from large corporate loans to a granular, secured retail lending model
- Supporting this shift is a clear transformation in company's product mix, with gold loans emerging as core growth driver, contributing significantly to disbursals and portfolio quality

This strategic repositioning towards secured, short-tenure, high-yield retail products – led by gold loans, not only strengthens Arvog's risk profile but also enhances capital velocity and long-term profitability

Finkurve's Gold Loan Process & KPIs

Sourcing: Customers are attracted through various channels, including cold calls, BTL (Below The Line) activities, referrals, and digital campaigns. This multi-channel strategy enhances reach and helps in effectively connecting with potential borrowers.

Approvals: Once a customer expresses interest, the sales team collects key details like mobile number, name, city, and state to create a customer ID. After that, the customer undergoes a KYC process, where Aadhaar, PAN/Form 60, and address proof are submitted and verified by the Head Office Operations team.

Gold Appraisal: Before moving forward with the loan, the appraiser evaluates the customer's gold and provides a tentative loan amount based on the selected scheme. After confirming the customer's agreement, the loan application is initiated, relevant documents are signed, and the gold is packed securely in a tamper-evident packet. All details are then uploaded into the LMS.

Disbursal Process: Once the loan application passes internal checks and verifications by both the head office and the lender, it is quickly approved and disbursed. This ensures that all necessary evaluations, including creditworthiness and compliance, are thoroughly completed before the funds are released to the borrower.

Efficiency and Turnaround Time (TAT): Arvog maintains a fast turnaround time, averaging 25 minutes for loan disbursal, regardless of whether the process occurs at the branch or through doorstep service. This ensures quick access to funds while maintaining a high level of service efficiency.

Finkurve's Gold Loan Process

Customer Onboarding (Maker — Chief Valuer or Branch Staff):

- Source the customer and collect essential details
- Gather KYC documents and necessary paperwork
- Appraise the gold and provide a tentative loan amount
- Enter all details in the system and submit the loan application for Branch Manager review

Branch Manager (Reviewer):

- Reviews the loan application and verifies initial entries
- Once satisfied, sends the application to the head office operations team

Head Office Operations Team (Checker — Executive Level):

- Cross-checks system entries, documents, and gold appraisal
- Validates:
 - KYC documents
 - Photographs of gold ornaments
 - Appraisal reports
 - Compliance with RBI & internal policy (e.g., no coins permitted, purity must meet guidelines)
- Verifies weight, value, and max eligible loan amount
- Flags discrepancies, if any, before submitting for final approval

Operations Manager (Approver):

- Performs a final check of the loan application
- Approves the loan disbursement, ensuring all compliance measures are met

This **Maker → Checker → Approver** structure enforces a layered approach to risk mitigation, compliance, and data integrity.

EXPLANATORY STATEMENT:

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“The Act”)

Item No. 3

The Board of Directors of the Company (‘the Board’), on the recommendation of the Audit Committee (‘the Committee’), recommends for the approval of the Members, the appointment of M/s. Ladha Singhal & Associates, Chartered Accountants, (Firm Registration No. 120241W), as the Auditors of the Company for a period of five years, from the conclusion of this AGM until the conclusion of the 46th AGM.

The Audit Committee considered various parameters like audit experience in the Company’s business segment, market standing of the firm, clientele served, technical knowledge etc., and found M/s. Ladha Singhal & Associates to be suitable to handle the complexity associated with the audit of the Financial Statements of the Company.

M/s. Ladha Singhal & Associates, a partnership firm of Chartered Accountants, was established in the year 2000 by Mr. Vinod Ladha and Mr. Ajay Singhal. The firm has considerable expertise in Auditing, Taxation and Company Law Matters and has built a reputation for delivering value-driven professional services across a wide spectrum of industries. The firm had earlier served as the Statutory Auditors of the Company until the conclusion of the Annual General Meeting held in 2020,

completing their maximum permissible tenure under Section 139 of the Companies Act, 2013. After the completion of the mandatory cooling-off period of five years, they are now eligible to be appointed again as the Statutory Auditors of the Company.

M/s. Ladha Singhal & Associates have given their consent to act as the Auditors of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Companies Act, 2013.

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the Members.

None of the Directors and Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the Notice

Item No. 4

The Company enters into various Non-Banking Financial Transactions with Related Parties from time to time. These transactions usually occur on a repetitive basis and are expected to exceed the prescribed threshold limits under the Listing Regulations so as to qualify as Material Related Party Transactions.

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 ("Listing Regulations") read with SEBI Master Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Related Party Transactions shall require prior approval of the Audit Committee and all Material Transactions with related parties require approval of the Members of the Company through Ordinary Resolution. A transaction with a Related Party shall be considered material under the Listing Regulations, if the transaction(s) in a contract to be entered into individually or taken together with previous transactions during a Financial Year, exceeds rupees One Thousand Crore or 10% of the Annual Consolidated Turnover of the Company as per the last Audited Financial Statements of the Company, whichever is Lower or any other materiality threshold prescribed by any other applicable law.

The proposed transactions involve granting of loans to the following related parties in accordance with the provisions of the Companies Act, 2013 and applicable rules:

- **M/s. Aranath Real Estate Private Limited**, a Private Company in which a relative of a Director of the Company holds a position as Director, thereby making it a related party under Section 2(76) of the Companies Act, 2013.
- **M/s. Augmont Enterprises Limited**, a Public Company in which a Director of the Company is also a Director and holds, along with his relatives, more than two per cent of its paid-up share capital, thereby qualifying as a related party under Section 2(76) of the Companies Act, 2013.

All the above entities are considered related parties due to the directorships held by the Company's Director(s) or their relatives, and the transactions with them are proposed to be undertaken in the **ordinary course of business and on an arm's length basis**, in compliance with applicable legal and regulatory requirements.

Justification for why the proposed transactions is in the interest of the Company;

The Company, being a registered Non-Banking Financial Company (NBFC), is engaged in the business of providing various types of loans and financial facilities, including inter-corporate loans,

loans against gold jewellery, and other forms of secured and unsecured lending to individuals and entities, as part of its ordinary course of business.

The proposed transaction involving the granting of loans to related parties is aligned with the Company's regular business operations and will be undertaken on an arm's length basis, ensuring fair market terms and conditions. These transactions contribute directly to the revenue-generating activities of the Company, thereby strengthening its financial performance.

Moreover, such transactions provide the Company with opportunities to deploy surplus funds efficiently, generate interest income, and maintain optimal liquidity management. Since the related parties are well-known, reliable entities with established creditworthiness, the risk involved is minimized, ensuring commercial viability and mutual benefit.

Accordingly, the proposed transaction is in the best interest of the Company and supports its business objectives of financial intermediation, profitability, and sustainable growth.

The Company proposes to enter into transactions of granting loans to Related Parties as provided in Resolution No. 4, from time to time, at the agreed terms of the transactions between the parties. The said transactions with the Related Parties as per Resolution No. 4 are to be held at arm's length and in the ordinary course of business of the Company.

The Audit Committee has approved the said Related Party Transactions which were placed before it at its meeting held on September 05, 2025 and has noted that these transactions are in the ordinary course of business and all the transactions are at arm's length. Further, the said transactions qualify as Material Related Party Transactions under the Listing Regulations. Accordingly, the Members' approval is sought for the same which shall be valid from the conclusion of 41st Annual General Meeting till the conclusion of the 42nd Annual General Meeting to be held in the year 2026, not exceeding a maximum period of 15 months.

Pursuant to Regulation 23(4) of the Listing Regulations and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Material RPTs shall require prior approval of the Members by way of an Ordinary Resolution, even if such transactions are entered in the ordinary course of business and on arm's length basis.

The Members may please note that in terms of provisions of the Listing Regulations, none of the related party(ies) (whether such related party(ies) are a party to the proposed transactions or not), shall vote to approve the Ordinary Resolution at Item No. 4 of the Notice. Thus the said proposal is being placed before the non-related party Members for their approval.

None of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested in the resolution except Mr. Ketan Kothari.

The Directors recommend the Resolution No. 4 of the Notice for approval of the Members by way of an Ordinary Resolution.

Item No. 5

The Company enters into various Non-Banking Financial Transactions with Related Parties from time to time. These transactions usually occur on a repetitive basis and are expected to exceed the prescribed threshold limits under the Listing Regulations so as to qualify as Material Related Party Transactions.

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 ("Listing Regulations") read with SEBI Master Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Related Party Transactions shall require prior approval of the Audit Committee and all Material Transactions with related parties require approval of the Members of the Company through Ordinary Resolution. A transaction with a Related Party shall be considered material under the Listing Regulations, if the transaction(s) in a contract to be entered into

individually or taken together with previous transactions during a Financial Year, exceeds rupees One Thousand Crore or 10% of the Annual Consolidated Turnover of the Company as per the last Audited Financial Statements of the Company, whichever is Lower or any other materiality threshold prescribed by any other applicable law.

The proposed transactions involve granting of loans to the following related parties in accordance with the provisions of the Companies Act, 2013 and applicable rules:

- **M/s. Aranath Real Estate Private Limited**, a Private Company in which a relative of a Director of the Company holds a position as Director, thereby making it a related party under Section 2(76) of the Companies Act, 2013.
- **M/s. Augmont Goldtech Private Limited**, a Private Company in which a Director of the Company is also a Director, establishing a direct related party relationship.
- **M/s. Augmont Enterprises Limited**, a Public Company in which a Director of the Company is also a Director and holds, along with his relatives, more than two per cent of its paid-up share capital, thereby qualifying as a related party under Section 2(76) of the Companies Act, 2013.
- **M/s. HR Commercials Private Limited**, a Private Company in which a relative of a Director of the Company is Member, thereby making it a related party under Section 2(76) of the Companies Act, 2013.
- **M/s. Ideal Fiscal Services Limited**, a Public Company in which a Director of the Company is also a Director and holds, along with his relatives, more than two per cent of its paid-up share capital, and hence falls within the ambit of related party as defined under Section 2(76) of the Companies Act, 2013.

All the above entities are considered related parties due to the directorships held by the Company's Director(s) or their relatives, and the transactions with them are proposed to be undertaken in the **ordinary course of business and on an arm's length basis**, in compliance with applicable legal and regulatory requirements.

Justification for why the proposed transactions is in the interest of the Company;

The Company, being a registered Non-Banking Financial Company (NBFC), is engaged in the business of providing various types of loans and financial services, including inter-corporate lending, loans against gold jewellery, and other secured and unsecured credit facilities, as part of its ordinary course of business.

The proposed transaction involving the **acceptance of loans from related parties** is consistent with the Company's regular funding practices and is intended to be undertaken on an arm's length basis, with terms and conditions comparable to those available in the open market.

Such arrangements allow the Company to access timely and cost-effective funding, which supports its liquidity requirements and enhances its ability to deploy capital efficiently across its lending portfolio. This, in turn, facilitates continued business growth, improves interest spread, and contributes to overall profitability.

Given that the related parties are financially sound and known entities, the Company is assured of the credibility and reliability of the source of funds. Furthermore, borrowing from related parties may reduce dependence on external borrowings, thereby potentially lowering financing costs and mitigating exposure to market volatility.

Accordingly, the acceptance of loans from related parties is in the best interest of the Company, as it enables efficient fund management, supports the core lending business, and promotes operational flexibility and financial sustainability.

The Company proposes to enter into transactions of accepting loans from Related Parties as provided in Resolution No. 5, from time to time, at the agreed terms of the transactions between the parties. The said transactions with the Related Parties as per Resolution No. 5 are to be held at arm's length and in the ordinary course of business of the Company.

The Audit Committee has approved the said Related Party Transactions which were placed before it at its meeting held on September 05, 2025 and has noted that these transactions are in the ordinary course of business and all the transactions are at arm's length. Further, the said transactions qualify as Material Related Party Transactions under the Listing Regulations. Accordingly, the Members' approval is sought for the same which shall be valid from the conclusion of 41st Annual General Meeting till the conclusion of the 42nd Annual General Meeting to be held in the year 2026, not exceeding a maximum period of 15 months.

Pursuant to Regulation 23(4) of the Listing Regulations and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Material RPTs shall require prior approval of the Members by way of an Ordinary Resolution, even if such transactions are entered in the ordinary course of business and on arm's length basis.

10	Governance Framework	The Company has a structured approval mechanism wherein all RPTs are approved by the Audit Committee. The Committee conducts quarterly reviews of transactions undertaken. Any revision requires prior Audit Committee approval.
11	Justification why the proposed transaction is in the interest of the Company	The Company, being a registered Non-Banking Financial Company (NBFC), is engaged in the business of providing various types of loans and financial services, including inter-corporate lending, loans against gold jewellery, and other secured and unsecured credit facilities, as part of its ordinary course of business. The proposed transaction involving the acceptance of loans from related parties is consistent with the Company's regular funding practices and is intended to be undertaken on an arm's length basis, with terms and conditions comparable to those available in the open market. Such arrangements allow the Company to access timely and cost-effective funding, which supports its liquidity requirements and enhances its ability to deploy capital efficiently across its lending portfolio. This, in turn, facilitates continued business growth, improves interest spread, and contributes to overall profitability. Given that the related parties are financially sound and known entities, the Company is assured of the credibility and reliability of the source of funds. Furthermore, borrowing from related parties may reduce dependence on external borrowings, thereby potentially lowering financing costs and mitigating exposure to market volatility.

Sr. No.	Particulars	Details
		Accordingly, the acceptance of loans from related parties is in the best interest of the Company, as it enables efficient fund management, supports the core lending business, and promotes operational flexibility and financial sustainability.
	If the transaction relates to any loans, inter-corporate deposits, advances or investments made or given by the listed entity or its subsidiary: (i) details of the source of funds in connection with the proposed transaction - (ii) where any financial indebtedness is incurred to make or give loans, inter-corporate deposits, advances or investments – nature of indebtedness, cost of funds, tenure; (iii) interest rate and repayment schedule, whether secured or unsecured; if secured, the nature of security; - (iv) the purpose for which the funds will be utilised by the ultimate beneficiary of such funds pursuant to the RPT - The funds given to the Related Parties shall be utilised by the ultimate beneficiary towards its principal business activity only.	Not Applicable
12	Any other information relevant or important for the Members to take a decision on the proposed resolution/ Any other information that may be relevant	All RPTs entered/ to be entered into with above mentioned parties would be within the purview of the Company's Memorandum of Association and Articles of Association, in furtherance of the business objectives of the Company, on arm's length basis and on terms and conditions as similarly placed with unrelated parties considering the nature of RPT.

The Members may please note that in terms of provisions of the Listing Regulations, none of the related party(ies) (whether such related party(ies) are a party to the proposed transactions or not), shall vote to approve the Ordinary Resolution at Item No. 5 of the Notice. Thus the said proposal is being placed before the non-related party Members for their approval.

None of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested in the resolution except Mr. Ketan Kothari, and Mr. Priyank Kothari.

The Directors recommend the Resolution No. 5 of the Notice for approval of the Members by way of an Ordinary Resolution.

Item No. 6:

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 (“Listing Regulations”) read with SEBI Master Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Related Party Transactions shall require prior approval of the Audit Committee and all material transactions with Related Parties require approval of the Members of the Company through Ordinary Resolution. A transaction with a Related Party shall be considered material under the Listing Regulations, if the transaction(s) in a contract to be entered into individually or taken together with previous transactions during a Financial Year, exceeds 10% of the annual consolidated turnover of the Company as per the last Audited Financial Statements of the Company or any other materiality threshold prescribed by any law other applicable law.

Justification why the proposed transaction is in the interest of the Company;

The Company, being a registered Non-Banking Financial Company (NBFC), is engaged in the business of providing various types of loans and financial services, including loans against gold jewellery and other secured and unsecured credit facilities, as part of its ordinary course of business.

The proposed transactions with M/s. Augmont Goldtech Private Limited (AGTPL), as set out in Resolution No. 6, relate primarily to the Gold Loan product of the Company. Under this arrangement, the Company utilizes AGTPL’s proprietary technology platform (both front-end and back-end) to source, onboard, and manage its Gold Loan customers. The usage of the platform is exclusive to the Company, and AGTPL is entitled to receive service fees, reimbursements, and other charges, including brand usage and tech support fees.

Such arrangements enable the Company to leverage an advanced technological platform, providing an operational edge over other NBFCs in the gold loan segment. Additionally, the Company’s widespread branch network facilitates cross-selling of AGTPL’s precious metal products, including Digigold, gold and silver coins, and jewellery, thereby generating additional commission and service fees income.

They are in the best interest of the Company, as they support efficient operations, enhance customer acquisition and management capabilities, enable revenue diversification through cross-selling, and contribute to the overall profitability and sustainability of the business.

The Company proposes to enter into transactions with Related Party as provided in Resolution No. 6, from time to time, at the agreed terms of the transactions between the parties. The said transactions with the Related Party as per Resolution No. 6 are to be held at arm’s length and in the Ordinary Course of business of the Company.

The Audit Committee has approved the said Related Party Transactions which were placed before it at its meeting held on September 05, 2025 and has noted that these transactions are in the Ordinary Course of business and all the transactions are at arm’s length. Further, the said transactions qualify as Material Related Party Transactions under the Listing Regulations. Accordingly, the Members’ approval is sought for the same which shall be valid from the conclusion of 41st Annual General Meeting till the conclusion of the 42nd Annual General Meeting to be held in the year 2026 not exceeding a maximum period of 15 months.

Pursuant to Regulation 23(4) of the Listing Regulations and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, all Material RPTs shall require prior approval of the Members by way of an Ordinary Resolution, even if such transactions are entered in the ordinary course of business and on arm's length basis.

Key Details of Material RPTs (As required under Master Circular dated November 11, 2024)

Sr. No.	Particulars	Details
1	Name of Related Parties	M/s. Augmont Goldtech Private Limited
2	Nature of Relationship	Related entity by virtue of common Promoters/Directors.
3	Name of Director(s) or Key Managerial Personnel who is related, if any	Mr. Ketan Kothari and Mr. Priyank Kothari are interested.
4	Nature and Tenure of Transaction	Platform usage charges, service fees, commission arrangements, tech support charges, brand usage and reimbursements under the gold loan product ecosystem; valid from conclusion of the 41st AGM to the conclusion of the 42nd AGM (not exceeding 15 months).
5	Material Terms, Value and Particulars	Estimated aggregate value not exceeding Rs. 25 crore for FY 2025-26; terms determined by individual contracts between the parties.
6	Percentage of Company's annual turnover, for the immediately preceding financial year, that is represented by the value of the proposed transactions	17.80% of the annual turnover of the Company, based on the Audited Financial Statements for the financial year ended March 31, 2025. *Turnover here refers to Revenue from Operations
7	Any advance paid or received for the contract or arrangement, if any	The transactions are of a repetitive nature and are carried out in the ordinary course of business on an ongoing basis from year to year. No specific one-time advance has been paid or received for these arrangements
8	Valuation / Arm's Length Confirmation	The related party transactions would be in line with the Company's Policy on Related Party Transactions. These transactions would be on arm's length basis and in the ordinary course of business. All transactions will be reviewed and certified by Audit Committee to confirm arm's length nature. The Company has entered into the Service Level Agreement with Augmont Goldtech Private Limited on the basis of external reports & market practices followed by other NBFCs/ Banks with respect to loan against gold product. The Company has been regularly transacting with the said Party on the basis of various external information and market practices in relation to the proposed transactions
9	Ordinary Course Confirmation	All transactions are part of the Company's regular and recurring business activities.

Sr. No.	Particulars	Details
10	Governance Framework	The Company has a structured approval mechanism wherein all RPTs are approved by the Audit Committee. The Committee conducts quarterly reviews of transactions undertaken. Any revision requires prior Audit Committee approval.
11	Justification why the proposed transaction is in the interest of the Company	The proposed transaction as mentioned in Resolution No. 6 is majorly in reference to the Gold Loan Product of the Company wherein the Company uses the Tech Platform (Front End and Back End) of M/s. Augmont Goldtech Private Limited (AGTPL) to source, onboard and manage its Gold Loan customers. Further, such usage is exclusive for the Company and AGTPL also indulges in extensive marketing of its Platform and is therefore entitled for the Service Fee (including Brand Usage and Tech Support), reimbursements and other charges (including brand usage). The exclusive usage of the said Platform of AGTPL provides an edge to the Company over other Gold Loan providing NBFC's. Further, as the Company has a widespread network of branches across India offering Gold Loan Product, it is in the interest of the Company to cross sell the precious metals products offered like Digigold, Gold and Silver Coins/Jewellery, etc. by AGTPL through its branches and earn Commission/Service Fees towards such cross selling.
12	Any other information relevant or important for the Members to take a decision on the proposed resolution/ Any other information that may be relevant	All RPTs entered/ to be entered into with above mentioned parties would be within the purview of the Company's Memorandum of Association and Articles of Association, in furtherance of the business objectives of the Company, on arm's length basis and on terms and conditions as similarly placed with unrelated parties considering the nature of RPT.

The Members may please note that in terms of provisions of the Listing Regulations, none of the related party(ies) (whether such related party(ies) are a party to the proposed transactions or not), shall vote to approve the Ordinary Resolution at Item No. 6 of the Notice. Thus the said proposal is being placed before the non-related party Members for their approval.

None of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested in the resolution except Mr. Ketan Kothari, and Mr. Priyank Kothari.

The Directors recommend the Resolution No. 6 of the Notice for approval of the Members by way of an Ordinary Resolution.

23. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

(a) CONSERVATION OF ENERGY

The need for adoption of clean technology, improving end-use efficiency and diversifying energy bases, etc. have all been seriously considered by the Government of India and the country is poised for a considerable increase in the use of renewable energy sources in its transition to a sustainable energy base. Your Company being a Non-Banking Finance Company, has no activities involving conservation of energy. However, adequate measures have been initiated across all branches of the Company to reduce energy consumption as your Company is committed to sustainable business practices by contributing to environment protection and considers energy conservation as one of the strong pillars of preserving natural resources.

To this end, we have implemented several measures aimed at reducing energy consumption. Embracing information technology has been instrumental in this endeavor, with initiatives such as scan-based disbursements and paperless logins for loan applications. By leveraging technology, we not only streamline our processes but also minimize our energy footprint.

Moreover, we are transitioning from desktops to laptops for our office/branches. This shift is significant as laptops consume notably less electricity than desktop computers, contributing to tangible energy

savings. Additionally, we have retrofitted our head office and branches with energy-efficient LED lights, a move that significantly reduces electricity usage compared to conventional CFL and incandescent bulbs.

By embracing these initiatives, we not only demonstrate our dedication to environmental responsibility but also underscore our commitment to sustainable operations.

(B) TECHNOLOGY ABSORPTION:

Over the years, your Company has been in the forefront in implementing latest information technology and tools deploying wide spectrum of technological capabilities enabling digital transformation by revamping the back end and enhancing the front-end experience for customers. Our Company's vast network of branches coupled with digital banking platforms have kept your Company in the leadership position and enabled the Company to introduce more customer centric, intuitive & seamless products and services enhancing our customer convenience.

ANNEXURE III

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS/OUT-GO

A. CONSERVATION OF ENERGY:

(i) The steps taken or impact on conservation of energy:

Your Company's operations being financial services related, doesn't require intense consumption of energy. However, adequate measures have been initiated across all branches of the Company to reduce energy consumption as your Company is committed to sustainable business practices by contributing to environment protection and considers energy conservation as one of the strong pillars of preserving natural resources.

To this end, we have implemented several measures aimed at reducing energy consumption. Embracing information technology has been instrumental in this endeavor, with initiatives such as scan-based disbursements and paperless logins for loan applications. By leveraging technology, we not only streamline our processes but also minimize our energy footprint.

Moreover, we are transitioning from desktops to laptops for our office/branches. This shift is significant as laptops consume notably less electricity than desktop computers, contributing to tangible energy savings. Additionally, we have retrofitted our head office and branches with energy-efficient LED lights, a move that significantly reduces electricity usage compared to conventional CFL and incandescent bulbs.

By embracing these initiatives, we not only demonstrate our dedication to environmental responsibility but also underscore our commitment to sustainable operations.

(ii) The steps taken by the Company for utilizing alternate sources of energy: Nil

(iii) **The capital investment on energy conservation equipment:** In view of the nature of the activities carried on by the Company, there is no capital investment on energy conservation equipment.

The Company remains at the forefront for constantly pursuing its goal of technological up-gradation in a cost-effective manner for delivering exceptional quality customer service.

B. TECHNOLOGY ABSORPTION:

Over the years, your Company has been in the forefront in implementing latest information technology and tools deploying wide spectrum of technological capabilities enabling digital transformation by revamping the back end and enhancing the front-end experience for customers. Our Company's vast network of branches coupled with digital banking platforms have kept your Company in the leadership position and enabled the Company to introduce more customer centric, intuitive & seamless products and services enhancing our customer convenience.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO:

There were no foreign exchange earnings and outgo during the Financial Year 2024-25.

ANNEXURE V

**Secretarial Audit Report
FORM NO. MR-3**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

To,
THE MEMBERS,
FINKURVE FINANCIAL SERVICES LIMITED
202/A, 02nd Floor, Trade World,
D-Wing, Kamala Mills Compound,
S. B. Marg, Lower Parel (West),
Mumbai – 400 013

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practice by **FINKURVE FINANCIAL SERVICES LIMITED** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s Books, Papers, Minutes Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the financial year ended 31st March, 2025, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. FINKURVE FINANCIAL SERVICES LIMITED** (“the Company”) for the financial year ended on 31st March, 2025, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The Reserve Bank of India Act, 1934;
- (v) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2021;
- f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- g. The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 **(not applicable to the Company during the Audit period)** and
- h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(not applicable to the Company during the Audit period);** and
- i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(not applicable to the Company during the Audit period);**

(vii) Other Laws applicable to the Company as per the representations made by the Company are listed in **Annexure I** and forms an integral part of this report.

We have relied on the representations made by the Company, its Officers and Reports of the Statutory Auditor for the systems and mechanism framed by the Company for compliances under other Acts, Laws and Regulations applicable to the Company.

In case of Direct and Indirect Tax Laws like Income Tax Act, Service Tax Act, Excise & Custom Acts we have relied on the Reports given by the Statutory Auditors of the Company.

We have also examined compliance with the applicable clause of the following:

- a. Secretarial Standards issued by The Institute of Company Secretaries of India; and
- b. The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations 2015.

During the period under review and as per the explanations and representations made by the management and subject to clarifications given to us, the Company has generally complied with the provisions of the Act, Old Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following **Observations:**

2. Pursuant to regulation 17(2A) of SEBI (LODR) Regulations, 2015 the Company was required to have one-third of its total strength or three directors, whichever is higher, including at least one independent director as the quorum of the meeting. However, in the Board Meeting dated 09/07/2024 & 02/08/2024, none of the Independent Directors were

present and therefore BSE have imposed Penalty of Rs. 20,000/- which was duly paid by the Company and made good the default.

3. *During the year under review, the Company had received Administrative Warning from the Securities and Exchange Board of India (SEBI) vide its letter dated January 17, 2025 with reference to the grant of stock options to the employees of the Company on August 24, 2021 pursuant to the Finkurve Financial Services Ltd ESOP Plan 2018 approved by the shareholders of the Company on September 29, 2018. It was observed by SEBI that the aforesaid stock options were granted without first obtaining an in-principle approval for listing of shares from the stock exchange(s) where the Company was listed on. This was in contravention of Regulation 12(3) of the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021. It may be noted that the in-principle listing approval from BSE was subsequently obtained during the financial year 2023–24, to which the event relates; however, the SEBI communication in respect of this matter was received in the financial year 2024–25.*

We further report that:

The Board of Directors of the Company was duly constituted with proper balance of the Executive Directors, Non-Executive Directors and Independent Directors for the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the year under review, there was instance of:

1. *Issuance of upto 51,28,105 (Fifty One Lakhs Twenty Eight Thousand One hundred and Five) Share Warrants to certain Promoter Investors on preferential basis aggregating upto maximum amount of Rs. 39,99,92,190/- ((Rupees Thirty-Nine Crores Ninety-Nine Lakhs Ninety-Two Thousand One Hundred and Ninety Only);*

ANNEXURE VI

The Annual Report on CSR Activities for Financial Year ended 31st March, 2025

1. Brief outline on CSR Policy of the Company.

“CIVILIZATION” in true sense means coming and working together for each other with the idea of benefiting the other. However, to keep pace with the changing environment the “civilization” seems to lose its true meaning. One should realize that the synergy is gained by coming together and not by staying isolated. The organizations must understand the need of the hour that the Government cannot alone uplift the society as a whole and thus every organization must extend their hands for this noble cause.

The organization functions in the society, it is a part of it and it receives resources, man power, revenue, etc. from the society and it inherently becomes the responsibility of the organization to return to the society by giving what the society wants so that it can become a better place for the entire human race.

CSR is strongly connected with the principles of Sustainability; an organization should make decisions based not only on financial factors, but also on the social and environmental consequences. Therefore, it is the core corporate responsibility of Finkurve Financial Services Limited to practice its corporate values through its commitment to grow in a socially and environmentally responsible way, while meeting the interests of its stakeholders.

ANEXURE VII**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The Management of the Company is pleased to present this Management Discussion and Analysis Report in compliance with Regulation 34(2)(e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time).

INDIAN ECONOMIC OVERVIEW

India's economy has demonstrated impressive strength and resilience over the past decade. In FY 2024-25, real GDP expanded by 6.5%, reflecting steady momentum supported by rising incomes and a strong domestic consumption base. The services sector remained the largest contributor, accounting for around 55% of Gross Value Added and providing employment to nearly 30% of the workforce. Private consumption grew by 7.3%, reaching its highest share of GDP since FY 2002-03, underpinned by improving rural demand.

On the external front, total exports grew to \$825 billion, driven by sectors such as engineering goods, electronics, and pharmaceuticals. Services exports more than doubled over the past decade, highlighting India's growing integration into the global economy. Policy reforms and infrastructure investments continue to support this robust trajectory.

INDUSTRY STRUCTURE AND DEVELOPMENT:**Financial Services Sector**

In FY 2024-25, India's financial services sector faced multiple headwinds, as economic growth slowed, inflation and interest rates remained elevated, and liquidity in the system remained tight for most parts of the year. These together weighed on credit growth. Credit growth moderated but remained steady, while deposit growth lagged, leading to higher loan-to-deposit ratios. However, both banks and NBFCs witnessed robust balance sheets, with improving asset quality and Return on Assets. The RBI stepped in proactively to ease liquidity constraints by firing on all cylinders. With inflation eventually coming closer to the central bank's comfort zone, the RBI cut its policy rate by 25 bps in February 2025, with an accommodative stance. It was the first easing since the pandemic. Meanwhile, the central bank announced regulatory measures to cool off unsecured lending, as the segment started showing increased stress.

NBFC Sector

In FY 2024-25, India's NBFC sector showed resilience amid moderating credit growth. Overall credit grew by 13-15%, compared to 17% in previous years, with total NBFC credit crossing ₹52 trillion by December 2024 and set to exceed ₹60 trillion by FY 2025-26. Retail loans, the key growth driver, expanded by 16-18%, but faced rising stress in unsecured segments, such as microfinance and personal loans.

Despite regulatory tightening and elevated delinquencies in unsecured portfolios, NBFCs maintained strong capital positions and healthy earnings, cushioning sectoral risks. Funding conditions improved with increased external commercial borrowings and robust debt issuances. While moderate loan growth and rising credit costs may pressure margins, sector liquidity and capital profiles remain stable. Competitive pressures and regulatory changes, including co-lending norms and gold loan guidelines, are expected to shape the sector further, but the long-term outlook remains steady.

Capital and asset quality of banks and NBFCs remain healthy, supporting the growth in bank credit and domestic activity. Pre-emptive regulatory measures aimed at curbing excessive consumer lending and bank lending to NBFCs, and investments in alternate investment funds (AIFs) are expected to contain the build-up of potential stress in balance sheets of financial intermediaries and contribute to financial stability.

While domestic banks and NBFCs have exhibited the interest rate risk, banks may have to address both trading and banking book risks. Accordingly, the RBI is striving to make its regulations more principle-based, activity-oriented and proportionate to the scale of systemic risk, rather than entity-oriented.

Indian Gold Market

Indian gold market Gold holds a central place in Indian households, serving as a key pillar of wealth and savings. However, shifting consumer behaviours and increasing global influences are driving changes in how gold is valued and used. India's gold market in 2025 has been defined by record-high prices, evolving consumer behaviour, and notable shifts in investment patterns. Domestic gold prices have surged over 30% year-to-date, reaching ₹98,732 per 10g, with the broader Indian gold market estimated at over \$60 billion annually. Amid elevated prices, many buyers are opting to exchange old jewellery rather than make fresh purchases, while wedding-related demand continues to anchor the sector.

Corporate retail jewellers logged strong growth in early 2025, with revenues rising 25–35% y-o-y, supported by higher value transactions and continued store expansion. Gold ETFs saw their first net outflow in 10 months in March, despite cumulative assets under management climbing to ₹589 billion (\$6.8 billion). The RBI has moderated its gold purchases, but gold's share in its reserves has risen to 11.7%. March also saw a sharp rebound in gold imports to \$4.4 billion, reflecting continued appetite despite high prices.

Looking ahead, seasonal purchases, gold's safe-haven appeal, and sustained investment interest are expected to support demand amid ongoing global uncertainty

OPPORTUNITIES AND THREATS:

The RBI has been continually strengthening the supervisory framework for NBFCs in order to ensure sound and healthy functioning and avoid excessive risk taking. It has issued several new guidelines in the recent past.

The uncertainties and volatility in the financial market are a continuing threat to the organizational performance. However, the twin features of fore-sightedness and focused analysis of the market have challenged the threat of adverse performance.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE:

The Company operates in only single segment. Hence segment wise performance is not applicable.

OUTLOOK AND FUTURE PROSPECTS:

Projection of Indian Economy Growth: The ratings agencies have projected that the Indian economy will grow by 6.6% in FY 2025. This robust economic growth is expected to drive strong credit demand and support the profitability of non-banking finance companies (NBFCs) in India. It is anticipated that these favourable economic conditions will help NBFCs maintain their asset quality, even as rising interest rates increase the debt burdens of their customers.

Impact on Funding Costs and Credit Demand: Despite rising funding costs for NBFCs, the country's robust economic growth is fuelling strong credit demand, which will support the sector's profitability. Additionally, the favourable economic conditions will enable NBFCs to preserve their asset quality, despite the increased debt burdens faced by their customers due to rising interest rates.

Loan Growth and Lending Activities:

In FY 2024–25, Non-Banking Financial Companies (NBFCs) are expected to continue their growth momentum, with loan books projected to expand by approximately 15% over the next 12–18 months. This growth is being driven by strong demand across multiple sectors, particularly:

Infrastructure financing, led by large, government-backed NBFCs

Credit support to Micro, Small, and Medium Enterprises (MSMEs)

Rising consumption demand in semi-urban and rural areas

Increased adoption of digital lending platforms and alternate credit models

NBFCs are capitalizing on their agility and sectoral specialization to meet the financing needs of segments traditionally underserved by banks.

However, regulatory tightening has introduced new dynamics. In December 2023, the RBI increased the risk weight on unsecured retail loans by 25 percentage points for both banks and NBFCs. This has led to a moderation in unsecured loan disbursements, particularly in the personal loan and consumer finance segments.

Despite this, the overall lending outlook for NBFCs remains robust. The sector continues to be a critical pillar in India's credit delivery system, particularly in supporting last-mile connectivity and promoting inclusive growth. Going forward, a greater emphasis on secured lending, risk-based pricing, and technology-enabled credit assessment is expected to shape the next phase of expansion for NBFCs.

CRISIL Rating for Finkurve Financial Services Ltd (FFSL): Notably, CRISIL Ratings has assigned its 'CRISIL BBB/Stable' rating to the long-term bank facility of Finkurve Financial Services Ltd (FFSL). This rating factors in the Company's adequate capital position, supported by a comfortable earnings profile, a strong promoter profile, and experienced management personnel.

RISKS & CONCERNS:

The Reserve Bank of India (RBI) introduced several new and revised regulatory measures during the year, further expanding the compliance burden on NBFCs. A single-state NBFC is now required to meet nearly **621 compliance requirements**, including **35+ registrations and approvals**, covering areas such as record-keeping, statutory filings, periodic returns, and adherence to various legislations like the **Prevention of Money Laundering Act (PMLA)** and the **RBI Fair Practices Code**.

The evolving regulatory landscape demands that NBFCs, regardless of size, manage compliance across multiple laws and frameworks. Key challenges observed in FY 2024–25 include:

- Implementation of enhanced norms under the **Revised PCA Framework**
- Ongoing regulatory updates and changes in reporting formats
- Weak tracking and management of licenses and approvals
- Complexity in interpreting and implementing multiple overlapping regulations
- Inadequate training and awareness among staff
- Continued reliance on **manual, paper-based compliance processes**

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an adequate internal control system to safeguard assets and protect against losses from any unauthorised use or disposition. The system authorises, records and reports transactions and guarantees that they are documented. The Company's internal controls are supplemented by an extensive programme of internal audits, reviews by the management, and documented policies, guidelines and procedures.

HUMAN RESOURCES:

The Company considers its employees as highly valuable assets. It consistently reviews and refines policies to attract and retain technical and managerial staff, fostering a favourable work environment.

CAUTIONARY STATEMENT:

This Management Discussion and Analysis may include 'forward-looking statements' regarding the Company's objectives, plans, estimates, and expectations, as defined under applicable laws and regulations. Various factors, including a downturn in the financial services sector, political and economic shifts in India or key overseas markets, tax laws, litigation, labour issues, exchange rate movements, interest rate changes, and others, could affect the Company's operations. Actual results may differ significantly from those expressed or implied. This report should be read together with the accompanying financial statements and related notes.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Financial as well as Operational performance of the Company has increased considerably during FY 2024-25 as compared to the FY 2023-24x due to availability of working capital.

FINKURVE FINANCIAL SERVICES LIMITED**Notes forming part of the Financial Statements for the year ended 31 March 2025****(All amounts in INR in Lakhs, unless otherwise stated)****INDEPENDENT AUDITOR'S REPORT**

To The Members of

Finkurve Financial Services Limited**Report on the Audit of Financial Statements****Opinion**

We have audited the accompanying financial statements of **Finkurve Financial Services Limited** ("the Company"), which comprises of Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, its profits (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

FINKURVE FINANCIAL SERVICES LIMITED

Notes forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Sr No.	Key Audit Matter	How was the matter addressed in our audit
1	Accuracy in identification and categorisation of loans and advances receivable from financing activities as performing and non-performing assets and in ensuring appropriate asset classification, existence of security, income recognition, provisioning/ write off thereof and completeness of disclosure including compliance in accordance with the applicable extant guidelines issued by Reserve Bank of India (RBI).	We have assessed the systems and processes laid down by the company to appropriately identify and classify the loans and advances receivables from financing activities including those in place to ensure correct classification, income recognition and provisioning/write off including of Non-performing assets as per applicable RBI guidelines. The audit approach included testing the existence and effectiveness of the control environment laid down by the management and conducting of substantive verification on selected sample transactions in accordance with the principles laid down in the Standards on Auditing and other guidance issued by Institute of Chartered Accountants of India. Agreements entered into regarding significant transactions including related to loans have been examined to ensure compliance. Compliance with material disclosure requirements prescribed by RBI guidelines and other statutory requirements has been verified.
2	Impairment of financial assets (expected credit loss) (as described in note 1 (h) of the Ind AS financial statements) Ind AS 109 requires the Company to recognise impairment loss allowance towards its financial assets (designated at amortised cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including: • Unbiased, probability weighted outcome under various scenarios; • Time value of money; • Availability of reasonable and supportable information without undue costs. • Applying these principles involves significant estimation in various aspects, such as; • Grouping of borrowers based on homogeneity by using appropriate statistical techniques; • Staging of loans and estimation of behavioural life; • Determining macro-economic factors impacting credit quality of receivables; • Estimation of losses for loan products with no/minimal historical defaults. Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter	• We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109. • We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa. • We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation. • Tested the ECL model, including assumptions and underlying Computation • Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. • Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.

FINKURVE FINANCIAL SERVICES LIMITED**Notes forming part of the Financial Statements for the year ended 31 March 2025****(All amounts in INR in Lakhs, unless otherwise stated)****Information Other than the Financial Statements and Auditor's report thereon**

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Company's annual report but does not include the financial statement and our auditor's report thereon which we obtained prior to the date of this auditor's report, and Annual Report, which is expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

FINKURVE FINANCIAL SERVICES LIMITED

Notes forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in

FINKURVE FINANCIAL SERVICES LIMITED

Notes forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- [A] As required by Section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
 - The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - On the basis of the written representation received from the directors as on 31 March, 2025 taken on records by the Board of Directors, none of the directors is disqualified as on 31 March, 2025 from being appointed as a Director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
 - With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Sec 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

- [B] With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
 - There were no pending litigations which would impact the financial position of the Company (refer note no 31 of the financial statements).
 - The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.

- There is no amount required to be transferred, to the Investor Education and Protection Fund by the Company.
- (a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the notes to accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under [B] (iv) (a) and (b) above, contain any material misstatement.
- The Board of Directors of the Company have not proposed dividend for the current year and in the previous year.
- Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31 March, 2025 which has a feature of recording audit trail (edit log) facility. However, the feature of recording audit trail (edit log) facility was not enabled in the software used for maintaining the books of accounts.

As the feature of recording audit trail (edit log) facility have not been enabled in the software used for maintaining the books of accounts, reporting for preservation of such audit trail as per the statutory requirements for record retention is not applicable.

Date: 29th May, 2025**Annexure B to Independent Auditor's Report**

Referred to as Annexure 'B' in paragraph 2[A](f) of Other Legal and Regulatory Requirements of the Independent Auditors' Report of even date to the members of Finkurve Financial Services Limited on the financial statement for the year ended on 31 March, 2025.

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

- We have audited the internal financial controls over with reference to financial statements of Finkurve Financial Services Limited ("the Company") as on 31 March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

- The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

- Our responsibility is to express an opinion on the Company's internal financial controls over

FINKURVE FINANCIAL SERVICES LIMITED**Notes forming part of the Financial Statements for the year ended 31 March 2025****(All amounts in INR in Lakhs, unless otherwise stated)**

financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

- Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

- A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

- Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

FINKURVE FINANCIAL SERVICES LIMITED**Notes forming part of the Financial Statements for the year ended 31 March 2025****(All amounts in INR in Lakhs, unless otherwise stated)****Opinion**

- In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

1. Corporate Information and Material Accounting Policies

A. Corporate Informations:

Finkurve Financial Services Limited ('the Company'), formerly known as Sanjay Leasing Limited is public company domiciled in India and is incorporated under the provisions of Companies Act, 1956 in the year 1984. The company is registered as Non - Deposit Accepting Non - Banking Financial Company (NBFC) as defined under section 45-IA of the Reserve Bank of India Act, 1934 and was issued registration certificate by Reserve Bank of India on 9th March 1998. Since then, the company is carrying on the business activity of NBFC. The Equity shares of the company are listed on Bombay Stock Exchange Limited (BSE).

B. Summary of Material Accounting Policies

(a) Statement of compliance and basis of preparation and presentation of financial statements

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules as amended and notified under section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other provision of the Act.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Balance sheet and Statement of Profit & Loss are prepared and presented in accordance with the format prescribed in the Division III to Schedule III to the Act applicable for Non - Banking Finance Companies (NBFC).

(b) Functional and presentation currency

The financial statements are presented in Indian Rupees [INR or Rs], the functional currency of the Company and is rounded off to the nearest lakhs except otherwise indicated.

(c) Basis of Measurement

The financial statements of the Company are prepared on the accrual basis of accounting and historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

(i) Certain financial assets and liabilities are measured at Fair value (Refer note no. (h) and (i) below)

(d) Use of Estimates and Judgements

The preparation of the financial statements requires the Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the management and are based on historical experience and various other assumptions and factors (including expectations of future events) that the management believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Fair value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Share based payment transactions

The fair value of employee stock options is measured using the Black-Scholes model. Measurement inputs include share price on grant date, exercise price of the instrument, expected volatility (based on weighted average historical volatility), expected life of the instrument (based on expected exercise behaviour), expected dividends, and the risk free interest rate (based on government bonds).

(e) Property, plant and equipment (PPE)

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure and subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of profit and loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

(f) Intangible assets

Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in statement of profit and loss as incurred.

(g) Depreciation and Amortisation

Tangible assets

Depreciation has been provided on Written Down Value basis and in accordance with, Method and useful life prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

The useful lives of the assets are estimated as follows:

Particulars	Useful Life as prescribed by schedule II of Companies Act, 2013	Useful Life as estimated by the Company
Motor car	8 Years	8 Years
Leasehold Improvements	Over remaining useful lives	Over remaining useful lives
Plant and Machinery	15 Years	15 Years
Vehicles	10 Years	10 Years
Computers	3 Years	3 Years
Furniture & fixtures	10 Years	10 Years
Office equipments	5 Years	5 Years
Electrical equipments	10 Years	10 Years

Intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. For indefinite-life intangible assets, the assessment of indefinite-life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates.

(h) Financial assets - Initial recognition:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement – Financial Assets and Financial Liabilities

All Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of profit and loss.

Classification and Subsequent Measurement : Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through Other Comprehensive Income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following :

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value Through Other Comprehensive Income (FVTOCI):

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and

FINKURVE FINANCIAL SERVICES LIMITED**Note forming part of the Financial Statements for the year ended 31 March 2025****(All amounts in INR in Lakhs, unless otherwise stated)**

(ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value Through Other Comprehensive Income (FVTOCI):

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

(i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and

(ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value Through Profit or Loss (FVTPL) :

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Debt Instruments:

Investment in Debt Instruments are generally accounted for as at fair value through the statement of profit and loss account unless an irrevocable election has been made by management to account for at fair value through other comprehensive income. Such classification is determined on an instrument-by-instrument basis. Amounts presented in other comprehensive income for equity instruments are not subsequently transferred to statement of profit and loss.

Interests on these investments in debt instruments are recognised in Statement of profit and loss when the Company's obligation to pay the Interest is established, the Interest does not represent a paying of part of cost of the investment and the amount of interest can be measured reliably. Interest on Debentures recognised in Statement of profit and loss are included in the 'Interest Income' line item.

Equity Instruments:

Investment in equity instruments are generally accounted for as at fair value through the statement of profit and loss account unless an irrevocable election has been made by management to account for at fair value through other comprehensive income. Such classification is determined on an instrument-by-instrument basis. Amounts presented in other comprehensive income for equity instruments are not subsequently transferred to statement of profit and loss.

Dividends on these investments in equity instruments are recognised in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in Statement of Profit and Loss are included in the 'Dividend income' line item.

Impairment

The Company implies Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking. However, the Company has maintained the minimum provisioning as per RBI NBFC-SBR Directions.

The Company's Loans and trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Under simplified approach, the Company does not track changes in credit risk. Rather it recognises impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognising impairment loss allowance based on 12 months ECL. The impairment losses and reversals are recognised in Statement of profit and loss. For equity instruments and financial assets measured at FVTPL, there is no requirement of impairment testing.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Write-off

Loans and debt securities are written-off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written-off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

(i) Financial Liabilities

Initial Recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of profit and loss.

Debts securities and other borrowings:

After initial recognition, interest bearing debts securities and other borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognised in Statement of profit and loss when the liabilities are derecognised as well as through EIR amortisation process.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Financial Guarantee Contracts:

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(i) Fair Value Measurement

The Company measures financial instruments, such as, derivatives, investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(k) Cash & Cash Equivalents

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

(l) Foreign exchange transactions & translations

Initial Recognition

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss of the year.

Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of profit and loss.

(m) Revenue Recognition:

Effective Interest rate method

Interest income is recognised in Statement of profit and loss using effective interest rate method for all financial instruments at amortised cost, debt instrument measured at FVOCI and debt instrument designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

Calculation of effective interest includes transaction cost and fees that are an integral part of the contract. Transaction cost include incremental cost that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as positive or negative adjustment to the carrying amount of the asset, in the balance sheet, with an increase or reduction in interest income. The adjustment is subsequently amortised through interest income in the Statement of profit and loss.

Interest

The Company calculates interest income related to financing business by applying the Effective Interest Rate Method (EIR) to the gross carrying amount of financial asset other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit impaired, the Company reverts to calculating interest income on a gross basis.

Subvention Income

Subvention income received at the inception of the loan contracts which is directly attributable to individual loan contracts in respect of education loan is recognised in the Statement of profit and loss using the effective interest method over the tenor of such loan contracts measured at amortised cost.

Fees and commission income

Fee based income and other financial charges are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

Dividend

Dividend Income is recognised when right to receive the same is established and shown as part of investment and dividend income.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Rental Income

Rental Income is recognised in the statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern.

Net gain or loss on fair value change

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/ loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains on fair value changes" under revenue from operations and if there is a net loss the same is disclosed under "Expenses", in the statement of profit and loss.

Gain on sale of investment/Redemption of Mutual funds

On disposal of an Investment, the difference between the carrying amount and net disposal proceeds is charged or credited to the profit and loss statement.

(n) Finance costs

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at amortised cost. Financial instruments include bank borrowing, intercorporate loans, non-convertible debentures. Finance costs are charged to the Statement of profit and loss.

Interest expense on lease liabilities computed by applying the Company's weighted average incremental borrowing rate has been included under finance costs.

(o) Fees and commission expenses

Fees and commission expenses represents sum paid / payable to Fintech partners for sourcing of Retail lending business and other support services provided by them.

(p) Investment in subsidiaries

Investments in equity shares of subsidiaries are recorded at cost and reviewed for impairment at each reporting date. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of profit and loss.

(q) Taxes on Income

Income tax comprises current and deferred tax. Income tax expense is recognised in the statement of profit and loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax assets are not recognised where it is more likely that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

(r) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognised as an expense in the period in which they are incurred.

(s) Earnings per shares

Basic earnings per shares are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(t) Securities issue expenses

Expenses incurred in connection with fresh issue of Share capital are adjusted against Securities premium reserve.

(u) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM).

(v) Leases

The Company's lease asset classes primarily consist of leases for building for offices. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (a) the contract involves the use of an identified asset
- (b) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (c) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

(All amounts in INR in Lakhs, unless otherwise stated)

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made. A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(w) Employee Benefits:

Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

Post-employment employee benefits

The Company has provided following post-employment plans:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the Statement of the profit and loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial (gains)/losses
- (b) Return on plan assets, excluding amount recognised in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

(All amounts in INR in Lakhs, unless otherwise stated)

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other long term employee benefit:

The Company recognizes the provision for leave encashment based on the number of earned leaves available to employees as at the balance sheet date and the salary rates as applicable at the reporting date.

The liability is reviewed periodically and provided based on actual leave balances and employee entitlements. This is presented under short-term or long-term provisions depending on the expected timing of settlement.

d) Employee stock options :

Equity-settled share-based payments to employees are recognised as an expense at the fair value of equity stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the graded vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity (employee stock option reserve). At the end of each reporting period, the Company revises its estimate of number of equity shares expected to vest. The impact of the revision of the original estimates, if any, is recognised in the Statement of profit and loss such that cumulative expenses reflect the revision estimate, with a corresponding adjustments to the employee stock option reserve.

(x) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in financial statements.

(y) Goods and services tax input credit

Goods and services tax input credit asset is recognised in the books of accounts in the period in which the supply of goods or service received is recognised and when there is no uncertainty in availing/utilising the credits.

Expenses and assets are recognised net of the goods and services tax paid, except when the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or charged to revenue separately, as applicable. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

(z) Cash flow Statement

Cash flows are reported under the 'Indirect method' as set out in Ind AS 7 on 'Statement of Cash Flows, whereby net profit after tax is adjusted for the effects of transactions of non-cash nature, tax and any deferrals or accruals of past or future cash receipts or payments. The cash flows are prepared for the operating, investing and financing activities of the Company.

Nature and purpose of other equity :

(a) Securities premium reserve

The amount received in excess of face value of the equity shares is recognised in Securities premium reserve. In case of equity settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium reserve. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

(b) General reserve

Under the erstwhile Companies Act, 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

(c) Statutory reserve (Pursuant to Section 45-IC of The RBI Act, 1934)

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation.

The conditions and restrictions for distribution attached to statutory reserves as specified in Section 45-IC(1) in The Reserve Bank of India Act, 1934:

- (1) Every non-banking financial company (NBFC) shall create a reserve fund and transfer therein a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared.
- (2) No appropriation of any sum from the reserve fund shall be made by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty one days from the date of such withdrawal:
- (3) Notwithstanding anything contained in sub-section (1), the Central Government may, on the recommendation of the RBI and having regard to the adequacy of the paid-up capital and reserves of a NBFC in relation to its deposit liabilities, declare by order in writing that the provisions of sub-section (1) shall not be applicable to the NBFC for such period as may be specified in the order:

(d) Retained earnings

Retained earnings or accumulated surplus represents total of all profits retained since company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserves.

(e) Share based payment reserve

Share based payment reserve represents amount of reserve created by recognition of compensation cost at grant date fair value on stock options vested but not exercised by employees and unvested stock options in the Statement of profit and loss in respect of equity-settled share options granted to the eligible employees of the Company in pursuance of the Employee Stock Option Plan.

The Company has Capital Commitments as on 31 March 2025 of Rs. 248.27 lakhs (as at 31 March 2024 Rs. Nil).

33 Leases

The Company's lease asset classes primarily consist of leases of buildings or part thereof taken on lease for office and other premises.

The Company uses following practical expedient, when applying Ind AS 116 to leases :

(1) The Company didn't recognised Right of Use and Lease liabilities for lease for which the lease terms ends within 12 months on the date of initial transition and low value assets.

(2) The Company excluded initial direct cost from measurement of the Right of Use assets at the date of initial application.

(3) The Company uses hindsight in determining the lease term where the contract contains options to extend or terminate the lease.

f. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Financial Assumptions

Discount rate

Salary Escalation Rate

Year ended 31 March 2025	Year ended 31 March 2024
6.88%	7.14%
5.00%	5.00%

g. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

	Impact on defined benefit obligation		
	Change in assumption	Increase in assumption	Decrease in assumption
Discount rate	1.00%	49.01	68.41
Salary Escalation Rate	1.00%	68.14	48.70

The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

b) Fair value hierarchy and method of valuation:

The Company categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.

Level 3 - Inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or the Company's assumptions about pricing by market participants. The management of the Company assessed that loans given, cash and cash equivalents, trade receivables, trade payables, other current financial liabilities, current loans and other financial assets approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following table provides the fair value measurement hierarchy of the assets and liabilities of the Company :-

(d) Significant unobservable input(s) for Level 3 hierarchy

The fair value of financial instruments that are not traded in active market is determined by using valuation techniques. The Company uses judgement to select from variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period. Significant inputs considered in valuation are Terminal Growth rate, Weighted average cost of capital and computation of Net asset value in case of certain investments.

Relationship of unobservable inputs to fair value and sensitivity

Increase or decrease in multiple will result in increase or decrease in valuation.

39 Financial risk management objectives and policies

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's Board of Directors has appropriate financial risk governance framework for the Company. The Board of Directors govern the Company's financial risk activities by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises 3 types of risk: interest rate risk and currency risk. Financial instruments affected by market risk includes loans, Investment in units of mutual fund, and borrowings.

FINKURVE FINANCIAL SERVICES LIMITED

Note forming part of the Financial Statements for the year ended 31 March 2025

(All amounts in INR in Lakhs, unless otherwise stated)

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk primarily from borrowings. The Company monitors the changes in interest rates and actively regarding finances its debt obligations and/or re-evaluate the investment position to achieve an optimal interest rate exposure.

The Company's borrowings are majorly at fixed interest rates and accordingly, the company is not exposed to any significant interest risk.

Foreign currency risk and sensitivity

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company does not have any foreign currency exposure, accordingly it is not exposed to the foreign currency risks.

Investment price risk

The Company's exposure in Investment in equity share & mutual funds - Quoted as at 31 March 2025 is INR 0.97 lakhs (31 March 2024 is INR 1.05 lakhs) and as a result the impact of any price change will not have a material effect on the profit or loss of the Company.

Credit Risk

The Company is exposed to credit risk from their operating activities (primarily Loans given). The Company manage the credit risk by continuously monitoring the creditworthiness of customers. The Company has used a practical expedient by computing the expected credit loss allowance for external trade receivables based on a provision matrix. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

Expected credit loss on loans given is Rs. 235.47 lakhs (31 March 2024 -Rs 194.32 lakhs).

Liquidity Risk

Liquidity risk refers to insufficiency of funds to meet the financial obligations. The Company manages liquidity risk by borrowings, fund infusion by issue of equity shares/ preference shares, continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities.

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include principal cash flows. The contractual maturity is based on the earliest date on which the company may be required to pay.

40 Capital management

Risk management

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

41 Transactions in the nature of change in ownership in other entities

The Company had incorporated a Wholly Owned Subsidiary (WOS), M/s. Arvog Enterprises Limited on 20th October 2023, for providing "Lender Service Provider" (LSP) services. However, due to regulatory and compliance constraints, the said WOS could not start its business operations and therefore the Company sold all of the shares of the said WOS worth of Rs. 1,00,000/- (Rupees One Lac Only) at cost to the related parties (refer note no 34). Thus, the said WOS ceased to be the WOS effective from 13th March, 2024 and, as the WOS did not started its business activities during the subsidiary period, the consolidated financial statements is not applicable.

vi) Institutional set-up for liquidity risk management

The ultimate responsibility for liquidity risk management rests with the Board of directors, which has established Asset and Liability Management Committee (ALCO) for the management of the Company's short, medium and long- term funding and liquidity management requirements. The ALCO meets regularly to review the liquidity position based on future cash flows. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. The Company also maintains adequate liquid assets, banking facilities and reserve borrowing facilities to hedge against unexpected requirements.

In order to achieve above, the Company also has an Investment Policy to ensure that safety, liquidity and return on the surplus funds are given appropriate weightages and are placed in that order of priority. The Investment Committee frames the strategy, sets the operational parameters and framework within the limits as may be set by the Board for investment. The Committee approaches the Board for revising the limit as and when required. The policy is also reviewed periodically in the background of developments in the money markets and the Investment Committee depending on the external factors proactively to reduce the risk in the investments. A well-defined front and back office mechanism is in place to ensure a system of checks and balances.
